

Money saving Measures for Our Government!

Enact a Fair Tax for everyone in the US.

Stop all subsidies

Enable a fair import tax to protect our American producers and manufacturers

Stop all foreign aid except for emergency and health

Eliminate all tax loopholes

Eliminate congressional entitlements

Stop corporations from sheltering profits offshore

Award corporations for creating American jobs; penalize them for going off shore.

Stop fighting in 4 countries we can't afford it, I know we are not fighting in Libya but we are still paying for it.
