

KIT-A-MONTH

The Altair™ kit-a-month plan allows you to own an Altair mainframe without taxing your pocketbook. Mits has made it easy for you to purchase an 8800a, 8800b or 680b computer in monthly installments where you receive components with each payment. There are no financial charges because we have made each monthly shipment a kit in itself. This will give you time to read up on computers and/or gain knowledge from friends.

We have set up an Altair kit-a-month payment desk to service your needs. When writing or calling the factory for information about your shipment or account, just refer to the "kit-a-month payment desk."

OWN YOUR 680b IN FIVE EASY PAYMENTS

ORDERING INSTRUCTIONS

In order to smoothly and efficiently expedite your orders, we ask that you note the following helpful hints:

1. Send all payments other than BankAmericard or Master Charge in the form of a cashier's check or money order. Personal checks are acceptable, but clearance time will delay your order by 2-3 weeks.

2. The kit-a-month plan has been set up to proceed in order and we cannot deviate from that order. You can help us by noting with your payment what month you are on.

3. When calling or sending in orders, refer to your customer name on the original order and also your Mits order number.

4. If you change your address, keep your name as it is on the original order to keep records straight.

5. Please note special instructions for Alaska, Hawaii, APO, FPO and Canadian customers. If these are not followed, it could result in delays in processing your order.

6. The Kit-a-Month desk has been set up to help expedite your orders because of the overwhelming response we've had with previous time payment plans. Please feel free to use this service whenever you have questions. When writing letters to Mits, simply note "Kit-a-Month desk" on the outside of the envelope.

NOTE: Once you start the Kit-a-Month plan you are guaranteed the existing price at the time of your first order. You will not be affected by price increases.
